

SLED DOG CERTIFICATE PASSPORT

RULES - CKC Sled Dog Certificate

I – AIM

- To certify a qualified sled dog under the auspices of the Canadian Kennel Club, to encourage participation and recognize a dog's abilities such as: desire, intelligence, agility, strength, attitude toward master and team workmanship in Sled Dog Events.
- To have all races governed by the current edition of the International Sled Dog Racing Association (I.S.D.R.S.A.) rules.

II – REQUIREMENTS

- The Sled Dog Certification shall be for all sled dogs who have not won the title of S.D.
The requirements for the S.D. shall be: a) Total accumulation of at least 50 miles, in not less than three successfully completed races. Or 250 miles regardless of finishing time by a purebred dog.

- The Sled Dog Excellent Certificate shall be for all sled dogs who have won the S.D. title.

The requirements for the S.D.X. shall be:

- Total accumulation of at least 100 miles in not less than three successfully completed races.
 - Mileage for S.D. certificates shall not be included. Or 500 miles regardless of finishing time by a purebred dog.
- The Sled Dog Unlimited Certificates shall be for all sled dogs who have won the S.D.X. title
The requirements for the S.D. U shall be:
 - Total accumulation of at least 300 miles, in not less than three successfully competed races.
 - Mileage for S.D.X. certificates shall not be included. Or 750 miles regardless of finishing time by a purebred dog.

- Satisfactory completion of the above races shall be determined by the Chief Timer or Chief Marshal and completed according to the current edition of the I.S.D.R.A. rules. A dog which runs a race shall be credited for the appropriate mileage in an official CKC "Sled Dog Race Mileage Card". Any owner or driver of a dog can submit the completed and duly signed official race card. A copy of the printed race results for each race. The results must include the name of the event, date, and a complete list of times and placements along with appropriate fee to the CKC and request the SD, SDX, or SDU title to be added to the dogs' official records upon completion of the qualifications for the titles.

III – TITLES AND CERTIFICATE

- In this section the term "successfully completed race" means one or more heats in which the total heat times of the team is not more than 25% greater than the total average heat times of the first three placements in purebred class and 30% in open class. Furthermore, if only two (2) teams finish a race, only the first finishing team qualifies. If only one (1) team finishes a race, the race cannot be counted towards any title. Three or more teams must start the race.

Requirements for SD

- The CKC will permit the use of the letters S.D., signifying Sled Dog, to be used after the name of each dog that has met the requirements for that title.

- The dog must receive credit for not less than three (3) successfully completed races held under these rule and apply in writing to the CKC with Sled Dog Race Mileage.
- Total accumulation of at least 50 miles
- The dog must be individually registered in the records of the CKC

Requirements for SDX

- The CKC will permit the use of the letters S.D.X. signifying Sled Dog Excellent to be used after the name of each dog that has met the requirements for that title.

- The dog must receive credit for not less than three (3) successfully completed races under these rules and apply in writing to the CKC with the Sled Dog Race Mileage Card.
- Total accumulation of at least 100 miles.
- The dog must have completed the requirements for the S.D. before credits for the S.D.X. are counted.

Requirements for SDU

- The CKC will permit the use of the letters S.D.U. signifying Sled Dog Unlimited to be used after the name of each dog that has met the requirements for that title.

- The dog must receive credit for not less than three (3) successfully completed races held under these rules and apply in writing to the CKC with the Sled Dog Race Mileage Card.
- Total accumulation of at least 300 miles
- The dog must have completed the requirements for the S.D.X. before credits for the S.D.U. are counted.

In the event the applicant purebred dog successfully completes a distance race of 250 miles regardless of finishing time, it would automatically receive an SD title. The appropriate sequential titles will be awarded automatically for SDX (500 miles) and SDU (750 miles). Miles do not carry over between races and titles must be earned in succession. Races less than 250 miles would follow the current rules.

IV – CHIEF TIMER AND CHIEF MARSHAL

- The Chief Timer and Chief Marshall for the races should be fully conversant with the current edition of the I.S.D.R.A. rules.
- The Chief Marshall shall have full control of the race during the day of the race and must be available on the grounds.
- Members of the race-giving club, executive and race committee may run their dogs in the race. The Chief Timer or Chief Marshal's immediate family may run but the card shall not be signed by a member of the same household.

V – RACE ENTRIES

- All entries must be received by the race secretary before the closing of entries and in the case of post entries, before the first heat has started.
- Entries (teams) may be limited in number at the option of the race-giving club.
- No dog or bitch under one year of age may hold a Sled Dog Race Mileage Card.
- Bitches in season may compete
- Each dog or bitch applying for race mileage will be identified and/or marked prior to the first heat.
